Travelers who look for the stability of a catamaran and value a good ratio of comfort to price while enjoying the beauty of Galapagos in a cozy atmosphere

This is the ideal boat for divers and adventure lovers of all ages. Best value for liveboards as well as naturalist cruises. Ideal to combine the best of Galapagos, above and under the waves.

LIVEBOARD EXPERIENCE

Every other week we run an 8D/7N liveboard cruise on the Galapagos Aqua. A full diving safari including two of the top dive sites in the world: Darwin & Wolf Islands. Advanced divers will have the opportunity to make around 20 immersions during a week, experiencing a variety of marine life unlike any other place: giant whale sharks (June-November), schooling hammerheads, Galapagos sharks, great variety of rays, big schools of salema, barracuda, snappers, and groupers, Mola Mola (Ocean Sunfish), huge sea turtles, playful sea lions and so much more...
